Government Ordering Information

TCI Systems, Inc. is registered with the Central Contractor Registration Program (CCR) and with the Online Representation & Certifications Application (ORCA). Government agencies can order product directly from TCI.

There are 3 methods to order CradlePoint product from TCI:

1. TCI will provide a written quotation to the customer. The customer then obtains internal approval, signs the quotation and returns it to TCI. TCI then ships the products and invoices the customer. Payment is made to TCI through the automated Government ACH system.
2. TCI provides a quotation and the customer issues a written Purchase Order. TCI ships and invoices the product per the PO instructions. This process will generally apply to local and state government agencies.
3. The customer requests that a Government Credit card be used for the purchase. TCI will send the customer a form to complete, sign and return to TCI. After TCI processes the Credit Card Payment, the product will be shipped to the customer. TCI will provide its CASH price to all government accounts that are paid by Credit Card.

TCI's CradlePoint pricing information can be found at:

<http://www.tcisystems.com/cradlepoint>

All government orders will receive the quantity 20 – 29 pricing. Please contact us at cradlepoint@tcisystems.com for pricing on quantities greater than 30 units.

TCI Systems, Inc.'s D&B number is 03-4460972.
